

Terms and Conditions for Private Parties

We will supply everything needed for each guest to complete their own “masterpiece” including: paint, canvas, easle, paint brushes, apron, instruction and encouragement. We do our best to be sure everyone has FUN. We **DO NOT** supply tables and chairs. We do provide table covers.

We require a **minimm of 8 painters** for a private party and also a **deposit check of \$150.00** to reserve the date for your party. Once we receive your deposit check, we will set up a link for you to share with your guests so that they can pay in advance for their seat. This gives us a good head count for supplies and prevents the hostess from being a “collector”. We will let you know how many people have signed up before the party. With 10 paid guests, the 11th paints for **FREE**. Your deposit check will be returned to you at the event provided there are at least 8 painters. If there are not 8 painters minimum we will subtract the difference from your check and return the rest to you.

Cancellation policy: A **minimum of 2 weeks (14 days)** prior to your event is required for a full refund of your deposit. Cancelling **one week up to two weeks (7 to 13 days)** prior to the event and we will return ½ of the deposit (\$75.00). Cancelling a party **less than one week (7 days)** and NO refund will be issued as it does not give us enough time to fill that date with another party.

Any seats that have been paid for by your guests for your private party will be issued a credit for any future event, either private or open (public). Advance notice of 5 days is required to redeem any credit or gift certificate provided the party has not already sold out.
